

Gatorwall

A truly multi-purpose wall covering.

Combine the advantages of a high-quality projection screen with a seamless writing surface

Engineered with “bi-directional” embossed vinyl, Gatorwall provides superior projection and wide-angle viewing with a dry erase film that enables the use of dry erase markers. Easy to apply, Gatorwall installs just like wall paper over any clean, smooth surface.

Everything you need for a complete solution

Sold in cut to order sheets or entire rolls, Gatorwall creates a virtually seamless wall to wall and floor to ceiling presentation surfaces, even on curved walls.

Easy to use

Being stain-resistant and graffiti proof makes Gatorwall an ideal classroom projection surface while being fully-accessible/ADA compliant

Teach where you want, the way you want

- High Quality projection surface
- Dry Erase surface
- ADA compliant
- Creates virtually seamless wall to ceiling presentation surfaces
- Applies like traditional wallpaper
